FOR IMMEDIATE RELEASE

Cowden Associates, Inc. Hires Financial Analyst

PITTSBURGH, January 24, 2020 — Pittsburgh-based Cowden Associates, Inc. (Cowden), the leading independent actuarial, compensation, retirement, and employee benefits consulting firm in the tristate region, has hired Denise Wright, financial analyst.

Denise Wright

Denise joined Cowden in December 2019 as a financial analyst. In her role, Denise is responsible for day-to-day business transactions and reconciliations. She prepares weekly and monthly financial reports and provides monitoring of internal systems including tracking receivables.

Denise brings experience in accounting including management of accounts payable/receivable, problem solving, analytics, and technology capabilities. Denise earned her Bachelor in Science in economics and finance from Robert Morris University.

“Outstanding people enable Cowden to continue to provide our clients and vendors the services they’ve come to expect,” says President/CEO Elliot Dinkin. “Furthermore, Denise’s skills are matched with our needs to continue to streamline processes.”

About Cowden Associates, Inc.

Cowden Associates, Inc. is a Pittsburgh-based consulting and actuarial firm with a dedicated team of professionals with extensive experience in benefits, retirement programs, compensation, employee communications, benefits enrollment, actuarial and technology services. Using a total compensation based approach, Cowden provides a full range of consulting services, helping clients establish and maintain high quality compensation and benefit programs, and aligning organizations’ business strategies and objectives.
